Understanding the Notice of Intent to Assess

What is the Notice of Intent to Assess (NIA)?

The Notice of Intent to Assess (NIA) is not a bill. It is a notification that DOR intends to assess tax liabilities that it determines are owed to the Commonwealth of Massachusetts. It is also an opportunity to resolve matters before a bill is issued.

What if a payment was not credited?

If you believe that you previously made a payment for the amount shown on this Notice of Intent to Assess, contact the representative or Bureau listed on the front page of this notice.

What if I would like to appeal this notice?

If you would like to appeal, you have a right to a pre-assessment conference, to request settlement consideration, or both, with the Office of Appeals (see enclosed "Response Form"). This request must be made within 30 days of the notice date indicated on page 1 of this NIA. Nonfiling cases are not entitled to request a pre-assessment conference or settlement consideration.

What happens if I do not respond to this notice?

At the end of 30 days, you will be sent a bill called a Notice of Assessment (NOA) indicating the amount due. Interest and penalties will continue to accrue until the balance is paid in full.

How do I stop interest and penalties from continuing to accrue?

If you agree with the amount assessed, pay the amount indicated within the 30-day period given. If you are disputing the amount assessed, you may want to pay since interest and, in some cases, penalties will continue to accrue on any unpaid amount for which you are ultimately held responsible. A refund, with applicable interest, will be issued to you if your appeal is successful.

If you pay the full amount indicated on the NIA within the given 30-day period, you will receive a Notice of Assessment (NOA), with a "zero-balance", which serves as your receipt of full payment.

If you make a partial payment or do not pay the amount owed, you will receive a Notice of Assessment. The NOA will indicate the balance due, including interest and penalties. Please note that interest and penalty charges will continue to accrue until the amount owed is paid in full.

What if I cannot afford to pay the balance due?

You may make a partial payment with this notice. When you receive the NOA, there will be instructions on how to request a payment agreement with DOR.

What if this notice indicates an overassessment and/or refund?

If the Department has determined that you are due a credit and/or refund, the amounts are reflected in this Notice of Intent to Assess. At the end of the 30 day period following issuance of this NIA, your account will be adjusted and the credit/refund will be processed automatically. Therefore, if you agree with the findings, you need to take no further action. Please note, the Department may apply any credit/refund to outstanding liabilities for other tax types if those circumstances exist. Generally, you will receive a separate notification if this occurs. If you disagree with the Department's proposed credit/refund you may follow the appeal procedures (see enclosed "Response Form").

What are the most common penalties?

Under Massachusetts law, penalties are automatically imposed on late returns and late payments and when taxpayers have failed to meet other filing requirements. The five most common penalties are:

Late Return - A late return will generate a late file penalty of 1% per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax. It is calculated from the due date of the return to the date the return is filed.

Late Payment - An unpaid balance will generate a 1% penalty per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax.

Underpayment of Estimated Tax - Income and corporate taxpayers who fail to pay the required amount of tax by the proper due date through estimated and/or withholding payments may be subject to this addition to tax. Individuals whose liabilities exceed \$200 are required to make estimated payments equal to 80% of their current year's tax liabilities or 100% of their prior year's tax liabilities. Corporations whose liabilities exceed \$1000 for any taxable year are required to make estimated tax payments equal to 90% of the current year's tax or 100% of the prior year's tax.

Federal Change Non-Compliance Penalty - If you are audited by the IRS, you must report the changes affecting your Massachusetts taxable income to the Department of Revenue within one year from the date of the federal change determination and pay any additional tax, plus interest. Note: If you do not show reasonable cause for failure to comply, an additional penalty of \$100 or ten percent of the additional tax due whichever is smaller will be imposed.

Failure to File; G.L. Ch.62C Sec. 28 - If you failed to file a required return, DOR may determine the tax due according to the best information available. A penalty may be assessed at not more than double the amount so determined.

How is interest accrued?

Effective July 1, 2003, the interest rate on overpayments is the Federal short-term rate plus two percentage points, simple interest. The rate for underpayments is the Federal short-term rate plus four percentage points, compounded daily. Interest will accrue on unpaid interest and penalties as well as on unpaid tax. It is calculated on:

- 1) unpaid failure-to-file penalties and underpayment of estimated tax penalties starting on the due date through the date of full payment; and
- 2) unpaid failure-to-pay penalties starting on the 31st day after the date of the NOA and continuing to the date of full payment.

Understanding the Notice of Intent to Assess

What is the Notice of Intent to Assess (NIA)?

The Notice of Intent to Assess (NIA) is not a bill. It is a notification that DOR intends to assess tax liabilities that it determines are owed to the Commonwealth of Massachusetts. It is also an opportunity to resolve matters before a bill is issued.

What if a payment was not credited?

If you believe that you previously made a payment for the amount shown on this Notice of Intent to Assess, contact the representative or Bureau listed on the front page of this notice.

What if I would like to appeal this notice?

If you would like to appeal, you have a right to a pre-assessment conference, to request settlement consideration, or both, with the Office of Appeals (see enclosed "Response Form"). This request must be made within 30 days of the notice date indicated on page 1 of this NIA. Nonfiling cases are not entitled to request a pre-assessment conference or settlement consideration.

What happens if I do not respond to this notice?

At the end of 30 days, you will be sent a bill called a Notice of Assessment (NOA) indicating the amount due. Interest and penalties will continue to accrue until the balance is paid in full.

How do I stop interest and penalties from continuing to accrue?

If you agree with the amount assessed, pay the amount indicated within the 30-day period given. If you are disputing the amount assessed, you may want to pay since interest and, in some cases, penalties will continue to accrue on any unpaid amount for which you are ultimately held responsible. A refund, with applicable interest, will be issued to you if your appeal is successful.

If you pay the full amount indicated on the NIA within the given 30-day period, you will receive a Notice of Assessment (NOA), with a "zero-balance", which serves as your receipt of full payment.

If you make a partial payment or do not pay the amount owed, you will receive a Notice of Assessment. The NOA will indicate the balance due, including interest and penalties. Please note that interest and penalty charges will continue to accrue until the amount owed is paid in full.

What if I cannot afford to pay the balance due?

You may make a partial payment with this notice. When you receive the NOA, there will be instructions on how to request a payment agreement with DOR.

What if this notice indicates an overassessment and/or refund?

If the Department has determined that you are due a credit and/or refund, the amounts are reflected in this Notice of Intent to Assess. At the end of the 30 day period following issuance of this NIA, your account will be adjusted and the credit/refund will be processed automatically. Therefore, if you agree with the findings, you need to take no further action. Please note, the Department may apply any credit/refund to outstanding liabilities for other tax types if those circumstances exist. Generally, you will receive a separate notification if this occurs. If you disagree with the Department's proposed credit/refund you may follow the appeal procedures (see enclosed "Response Form").

What are the most common penalties?

Under Massachusetts law, penalties are automatically imposed on late returns and late payments and when taxpayers have failed to meet other filing requirements. The five most common penalties are:

Late Return - A late return will generate a late file penalty of 1% per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax. It is calculated from the due date of the return to the date the return is filed.

Late Payment - An unpaid balance will generate a 1% penalty per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax.

Underpayment of Estimated Tax - Income and corporate taxpayers who fail to pay the required amount of tax by the proper due date through estimated and/or withholding payments may be subject to this addition to tax. Individuals whose liabilities exceed \$200 are required to make estimated payments equal to 80% of their current year's tax liabilities or 100% of their prior year's tax liabilities. Corporations whose liabilities exceed \$1000 for any taxable year are required to make estimated tax payments equal to 90% of the current year's tax or 100% of the prior year's tax.

Federal Change-Non-Compliance Penalty - If you are audited by the IRS, you must report the changes affecting your Massachusetts taxable income to the Department of Revenue within one year from the date of the federal change determination and pay any additional tax, plus interest. Note: If you do not show reasonable cause for failure to comply, an additional penalty of \$100 or ten percent of the additional tax due whichever is smaller will be imposed.

Failure to File; G.L. Ch.62C Sec. 28 - If you failed to file a required return, DOR may determine the tax due according to the best information available. A penalty may be assessed at not more than double the amount so determined.

How is interest accrued?

Effective July 1, 2003, the interest rate on overpayments is the Federal short-term rate plus two percentage points, simple interest. The rate for underpayments is the Federal short-term rate plus four percentage points, compounded daily. Interest will accrue on unpaid interest and penalties as well as on unpaid tax. It is calculated on:

- 1) unpaid failure-to-file penalties and underpayment of estimated tax penalties starting on the due date through the date of full payment; and
- 2) unpaid failure-to-pay penalties starting on the 31st day after the date of the NOA and continuing to the date of full payment.

Understanding the Notice of Assessment

What is the Notice of Assessment?

The Notice of Assessment (NOA) is a bill that is sent when DOR determines you owe a tax liability to the Commonwealth of Massachusetts. The liability may be the result of an audit, a late and/or unpaid return or an error on a return.

What if a payment was not credited?

If you believe that you previously made a payment for the amount shown on this Notice of Assessment, contact the representative or Bureau listed on the front page of this notice. WFB users can check payments online.

What if I disagree with this notice or would like to appeal?

You may appeal by filing an Application for Abatement (Form CA6) within the time allowed for making an application. WFB users can file appeals for tax or penalty via the amend section of our online program. This is the fastest means of resolving your issue. An online Income tax abatement application will be available in the fall of 2004. Please contact the Customer Service Bureau at (617) 887-6367 or toll-free in Mass. At 1-800-392-6089 with any questions.

Should I pay even if I am disputing this assessment?

You are not obligated to pay an amount that you are disputing. However, you may want to pay since interest and, in some cases, penalties will continue to accrue on any unpaid amount for which you are ultimately held responsible. A refund resulting from an abatement will include interest computed from the date a complete application was filed.

What if I do not have the money to pay?

If you cannot pay the full amount that you owe, you may be able to pay the total liability through monthly installments or credit card. To request a payment agreement for amounts under \$5,000, visit our website or call 617-887-MDOR (6367) or toll-free in Massachusetts at 1-800-392-6089. For amounts over \$5,000, call 617-887-6400.

Note: DOR may refuse to allow a payment agreement if a taxpayer has a history of delinquency; has the resources to settle the debt immediately; or if the agreement jeopardizes the ultimate collection of the tax due.

What happens if I do not respond to this notice?

If you do not pay the amount due and do not dispute the assessment by filing an application for abatement, DOR will pursue full payment using a series of collection tools up to and including your name being published on our website.

What are the most common penalties?

Under Massachusetts law, penalties are automatically imposed on late returns and late payments and when taxpayers have failed to meet other filing requirements. The four most common penalties are:

Late Return - A late return will generate a late file penalty of 1% per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax. It is calculated from the due date of the return to the date the return is filed.

Late Payment - An unpaid balance will generate a 1% penalty per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax.

Underpayment of Estimated Tax - Income and corporate taxpayers who fail to pay the required amount of tax by the proper due date through estimated and/or withholding payments may be subject to this addition to tax. Individuals whose liabilities exceed \$200, \$400 for tax year beginning 01/01/05, are required to make estimated payments equal to 80% of their current year's tax liabilities or 100% of their prior year's tax liabilities. Corporations whose liabilities exceed \$1000 for any taxable year are required to make estimated tax payments equal to 90% of the current year's tax or 100% of the prior year's tax.

Penalty for failure to Comply with Efile Mandate:

A penalty of \$100 for each payment/extension payment (trans type 92A) or return/extension filing (92B) not submitted electronically when required.

How is interest accrued?

Effective July 1, 2003, the interest rate on overpayments is the Federal short-term rate plus two percentage points, simple interest. The rate for underpayments is the Federal short-term rate plus four percentage points, compounded daily. Interest will accrue on unpaid interest and penalties as well as on unpaid tax. It is calculated on:

- 1) unpaid failure-to-file penalties and underpayment of estimated tax penalties starting on the due date through the date of full payment; and
- 2) unpaid failure-to-pay penalties starting on the 31st day after the date of the NOA and continuing to the date of full payment.

Additional information on interest and penalties

To obtain additional information on interest and penalty charges, contact the Customer Service Bureau (CSB) at 617-887-MDOR (6367) or toll-free in Massachusetts at 1-800-392-6089. Taxpayer Bill of Rights

DOR must be objective, impartial, professional and ethical in its administration of the tax laws; any information that you as a taxpayer provide to the Department will be handled with the utmost confidentiality and professionalism.

DOR must maintain a Problem Resolution Office and an Office of Internal Affairs to safeguard taxpayers' rights.

DOR may not establish or enforce individual collection goals or collection quotas for its employees.

If you are unable to satisfy a tax liability in full, the Commissioner of Revenue may enter into a payment agreement if the Commissioner determines it will facilitate collection of the tax.

You may obtain representation at any point in your dealings with the Department.

You are entitled to appeal any DOR decision regarding your tax liability. DOR is obligated to make abatement decisions as promptly as possible and to issue any refunds resulting from abatement decisions within 30 days of such decisions.

You will not be subject to statutory penalties if you make a mistake because you relied on erroneous written advice from DOR representatives acting in their official capacities.

You can find more comprehensive details on your rights as a taxpayer in "A Guide to the Department of Revenue: Your Taxpayer Bill of Rights". To obtain a copy, visit our website at www.mass.gov/dor or call 617-887-MDOR (6367) or toll-free in Massachusetts 1-800-392-6089.

Understanding the Notice of Assessment

What is the Notice of Assessment?

The Notice of Assessment (NOA) is a bill that is sent when DOR determines you owe a tax liability to the Commonwealth of Massachusetts. The liability may be the result of an audit, a late and/or unpaid return or an error on a return.

What if a payment was not credited?

If you believe that you previously made a payment for the amount shown on this Notice of Assessment, contact the representative or Bureau listed on the front page of this notice. WFB users can check payments online.

What if I disagree with this notice or would like to appeal?

You may appeal by filing an Application for Abatement (Form CA6) within the time allowed for making an application. WFB users can file appeals for tax or penalty via the amend section of our online program. This is the fastest means of resolving your issue. An online Income tax abatement application will be available in the fall of 2004. Please contact the Customer Service Bureau at (617) 887-6367 or toll-free in Mass. At 1-800-392-6089 with any questions.

Should I pay even if I am disputing this assessment?

You are not obligated to pay an amount that you are disputing. However, you may want to pay since interest and, in some cases, penalties will continue to accrue on any unpaid amount for which you are ultimately held responsible. A refund resulting from an abatement will include interest computed from the date a complete application was filed.

What if I do not have the money to pay?

If you cannot pay the full amount that you owe, you may be able to pay the total liability through monthly installments or credit card. To request a payment agreement for amounts under \$5,000, visit our website or call 617-887-MDOR (6367) or toll-free in Massachusetts at 1-800-392-6089. For amounts over \$5,000, call 617-887-6400.

Note: DOR may refuse to allow a payment agreement if a taxpayer has a history of delinquency; has the resources to settle the debt immediately; or if the agreement jeopardizes the ultimate collection of the tax due.

What happens if I do not respond to this notice?

If you do not pay the amount due and do not dispute the assessment by filing an application for abatement, DOR will pursue full payment using a series of collection tools up to and including your name being published on our website.

What are the most common penalties?

Under Massachusetts law, penalties are automatically imposed on late returns and late payments and when taxpayers have failed to meet other filing requirements. The four most common penalties are:

Late Return - A late return will generate a late file penalty of 1% per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax. It is calculated from the due date of the return to the date the return is filed.

Late Payment - An unpaid balance will generate a 1% penalty per month on the unpaid tax. The total penalty charge cannot exceed 25% of the unpaid tax.

Underpayment of Estimated Tax - Income and corporate taxpayers who fail to pay the required amount of tax by the proper due date through estimated and/or withholding payments may be subject to this addition to tax. Individuals whose liabilities exceed \$200, \$400 for tax year beginning 01/01/05, are required to make estimated payments equal to 80% of their current year's tax liabilities or 100% of their prior year's tax liabilities. Corporations whose liabilities exceed \$1000 for any taxable year are required to make estimated tax payments equal to 90% of the current year's tax or 100% of the prior year's tax.

Penalty for failure to Comply with Efile Mandate:

A penalty of \$100 for each payment/extension payment (trans type 92A) or return/extension filing (92B) not submitted electronically when required.

How is interest accrued?

Effective July 1, 2003, the interest rate on overpayments is the Federal short-term rate plus two percentage points, simple interest. The rate for underpayments is the Federal short-term rate plus four percentage points, compounded daily. Interest will accrue on unpaid interest and penalties as well as on unpaid tax. It is calculated on:

- 1) unpaid failure-to-file penalties and underpayment of estimated tax penalties starting on the due date through the date of full payment; and
- 2) unpaid failure-to-pay penalties starting on the 31st day after the date of the NOA and continuing to the date of full payment.
